# About us

## OUR HISTORY

Inspires Dining is based in Buckinghamshire and was born from a passion for food and sharing that with others. The team have over 20 years experience cooking, serving and teaching in the industry.

## OUR MISSION

To provide the restaurant experience at home, using local produce and sustainable ingredients. We believe that everyone should enjoy good food so we cater for all dietary requests.

## OUR MENU

We have a selection of set packages however we enjoy to be challenged and have fun with bespoke menus. We believe that everyone should be able to enjoy good food so we cater for children and allergies.

The taste and quality of the food was exceptional, the menu was excellent and the service was brilliant.

## Our services
